RE: RECOMMENDATION LETTER FOR TINOTENDA JULIUS TAMANGANI

Dear Sir/Madam

This letter serves to recommend the above-mentioned youth in our ecclesiastical division. I write to attest on character challenge of the above-mentioned person. He is a trustworthy young man who is hard working, a team builder and a leader par excellence. I strongly recommend him to be considered for industrial attachment in your company/institution/organization.

He is well-behaved and I love his enthusiasm in doing God's work. He is result orientated. He participates religiously in our Eucharistic Services and he is currently the Treasurer of the Anglican Youth of Harare Area 4. Another plus for him is the fact that as a University student he encourages other peers to take their school work seriously.

Please do not hesitate to contact the undersigned for further enquiries.

Peace, hope, joy, and love.

Every blessing,

Masango Roderick Warakula (Rev'd)

Rector
