Dear Sir/Madam

RE: Application for ICT Intern Position

I am writing to formally express my interest in an ICT Industrial Attachment position at your company. As a third-year Computer Science student at Midlands State University (MSU), I have developed a robust technical foundation and a passion for leveraging technology to solve complex problems. I am eager to contribute my skills to your organization while gaining professional experience in a dynamic environment.

My academic journey has equipped me with proficiency in Python, JavaScript, SQL, HTML, and CSS. I am a firm believer in the power of practical application, which I have demonstrated through several personal and academic projects.

I am particularly drawn to your organization's reputation for excellence, and I am eager to bring my proactive learning attitude to assist your ICT team in daily operations, system maintenance, or software development tasks. I am a detail-oriented individual who thrives in collaborative environments and am fully committed to adhering to professional standards.

I am confident that my technical skills, combined with my drive to grow both personally and professionally, will make me a valuable asset to your team. I am eager to learn under the supervision of your experienced technical staff and contribute to your company's success.

Please find my CV attached for your review. I look forward to the opportunity to discuss my application with you in an interview.

Thank you for your time and consideration.

Yours Faithfully,

Tinotenda J. D. Tamangani
