TINOTENDA JD TAMANGANI

Contact Information

Harare, Zimbabwe | Email: tinentdatamangani@gmail.com | Phone: +263771371597

LinkedIn Profile: Tinotenda JD Tamangani | GitHub Profile: airlinesJ

Professional Summary

Motivated and detail-oriented Computer Science student with hands-on experience in **front-end development**, **Machine Learning**, and **Large Language Models**. Skilled in designing, developing, and deploying scalable applications. Strong team collaborator and leader, passionate about solving problems and continuously learning new technologies.

Achievements and Awards

- **1st Place Winner** | MSU GDG (Google Developer Groups) Hackathon | 2025
- **3rd Place Winner** | Econet Enovate Expo | 2025
- **Finalist** | NMB Xplug Hackathon | 2025

Education

Bachelor of Science in Computer Science

- **MIDLANDS STATE UNIVERSITY** | 2024 - Present

Technical Skills

Programming: Python, JavaScript, Java, HTML, CSS

Frameworks: Jupyter Notes-books, Web API

Databases: SQL

Tools & Platforms: Git, GitHub

Software Design: Object-Oriented Design (OOD), Design Patterns, Solution Architecture

Selected Projects

AI Nutrition Model(September 2025)

Engineered a **Deep Learning (DL)** and **Machine Learning (ML)** model to provide personalized nutritional assessments. Integrated the model with a **conversational AI (Chatbot)** interface to deliver specific user guidance, resulting in a quantifiable **reduction in dependency on clinical consultations** for routine nutritional inquiries.(Github:<https://github.com/airlinesj/Nutri-AI.git>)

Portfolio Website (April 2025 - May 2025)

Designed and implemented a responsive professional portfolio utilizing **HTML5, CSS3, and core JavaScript**. This project demonstrates proficiency in **front-end development methodologies** and deployment via Netlify. (Live Site: <https://juliuslabs.netlify.app/> | GitHub Repo: <https://github.com/airlinesj/Julius-webPage.git>).

Courses & Certifications

- Diploma in Cyber Security (Alison) - July 2025
- Prompt Engineering for AI (Alison) - July 2025
- NIST Cyber Security Framework Foundation (Alison) - May 2025

Additional Information

Possesses strong **problem-solving, teamwork, and leadership abilities**. Eager to contribute effectively both under supervision and as an integrated part of a team.

Dear Sir/Madam

Re: - Application for Work-Related Learning Placement

We hereby request a place for Work-Related Learning on behalf of our student **Tinotenda JD Tamangani R241305P**, during the third year of his **BSc. (Hons) Degree in Computer Science**, in your organisation or institution.

The degree programme is of four (4) years duration including a one-year period of Work Related Learning which is done in the third year.

It is hoped that the Work Related Learning opportunity will develop in the student a repertoire of skills necessary to function in a multi-operational organization, resilience and consistency in the face of challenges. In addition, we hope your organization/institution will also gain from the student whom we believe has acquired enough theory during her two years at the University. You may contact the student concerned directly when responding to this communication, but if you require any further clarification contact any of the contact persons below.

Mrs N.Sarai, (Chairperson), Cell : +263773884666
Email: sarain@staff.msu.ac.zw

Mr T. Mzikamwi, (Work Related Learning Coordinator) Cell: +263771650387
Email: mzikamwi@staff.msu.ac.zw *T. Mzikamwi*

Mr T.G Rebanowako, (Work Related Learning Coordinator) Cell : +263772998332
Email: rebanowako@staff.msu.ac.zw
